CHAFFEE COUNTY PUBLIC HEALTH ORDER RELATED TO COVID-19

Pursuant to Colo. Rev. Stat. § 25-1-506 and other applicable authority, this Order sets forth guidance and requirements for, as well as limitations on, group gatherings to slow the spread of the COVID-19 virus.

On January 30, 2020, the World Health Organization ("WHO") declared the worldwide outbreak of COVID-19 a "public health emergency of international concern." On January 31, 2020, the United States Department of Health and Human Services declared the virus a public health emergency.

On March 10, 2020, the Governor of Colorado declared a state of Emergency related to the presence of COVID-19 in the State. The Colorado Department of Public Health and Environment has confirmed that COVID-19 continues to spread throughout the State of Colorado.

On March 11, 2020, WHO declared COVID-19 a pandemic, pointing to the sustained risk of further global spread.

On March 13, 2020, Chaffee County ("County") declared a Local Disaster Emergency related to COVID-19. Pursuant to Resolution 2020-29, the County ratified and extended this Local Disaster Emergency pursuant to a meeting of the Chaffee County Board of County Commissioners ("BoCC") on March 17, 2020.

On March 13, 2020, the President of the United States declared a National Emergency due to COVID-19.

On March 16, 2020 the President of the United States issued new guidelines to help protect American's during the COVID-19 pandemic, which includes: avoiding discretionary travel, gathering limited to 10 or less people, use of drive through and pick up delivery options, and telecommuting for work and school.

On March 16, 2020, Colorado Department of Public Health issued a public order starting, on March 17, that for 30 days all bars, restaurants, theaters, gyms and casinos, are closed with certain exception for take-out and delivery services for restaurants.

Chaffee County Public Health (CCPH) anticipates that, due to the contagiousness of the illness and the fact that numerous travelers from around the world visit the county, Chaffee County will see cases of the virus and its transmission within the community. Developing social distancing policies prior to an extensive outbreak has been a proven means of helping to contain COVID-19 outbreaks.

CCPH recommends that without appropriately responding to the illness, including cancelling and postponing public events, restricting social gatherings to 10 people or less, numbers of cases within Chaffee County will rise which may result in serious illness or death for certain members of the community, and will have the effect of interrupting the functioning of the community, will overwhelm the capacity of the local health care system and the ability to respond to the COVID-19 pandemic. Additionally, a large surge in the number of persons with COVID-19 can compromise the ability of the healthcare system particularly in the high-country counties currently affected by community transmission to deliver necessary healthcare to the public.

The limitations on business activities, large gatherings and use of social distancing decreases the risk of COVID-19 transmission to our most vulnerable populations and is especially important for people who are

Promoting an environment where individuals and families in our community are healthy, safe and self sufficient.
over 60 years old and those with chronic health conditions due to their higher risk of severe illness and death from COVID-19. This Order will reduce the likelihood that many individuals will be exposed to COVID-19 at a single event and will therefore slow the spread of COVID-19 in our communities.

This Order is adopted pursuant to the legal authority set forth in sections 25-1-506 and 25-1-508, Colorado Revised Statutes. Under these laws, the Chaffee County Public Health Director has the duty to investigate and control the causes of epidemic or communicable diseases and conditions affecting public health and to establish, maintain, and enforce isolation and quarantine, and in pursuance thereof, and for this purpose only, to exercise physical control over property and over the persons of the people within the jurisdiction of the agency as the agency may find necessary for the protection of the public health.

This Order shall apply to all unincorporated areas of Chaffee County, Colorado and all incorporated (municipal) areas that do not have their own public health agency: City of Salida, Town of Poncha Springs and Town of Buena Vista.

ORDER

1. Events. All public and private events, to include but not limited to: any gatherings in bars, restaurants, theaters, gyms, spas, pools, and hot springs are suspended until April 7, 2020. Additionally, the following Events shall be limited, as follows:

   a. All public and private events and gatherings are limited to 10 people or less. The Chaffee County community is strongly directed to limit activity outside of the household, engage in social distancing and to only participate in social gatherings through online forums and formats.

   b. Chaffee County restaurants are required to follow Colorado Department Public Health Order and Guidance (attached as Exhibit A) to maintain operations.

   c. Chaffee County retail establishments (such as grocery stores, pharmacies, hardware stores, food pantries, etc.) are strongly encouraged to follow CDPHE’s Guidance (see Exhibit A) to minimize the spread of COVID-19 in the community. Such guidance includes establishing curbside pickup for customers, encouraging social distancing between customers, establishing limits for customers within the store, dependent on size of retail establishment that encourages social distancing, and increased hygienic practices.

   d. All short-term lodging, including but not limited to, hotels, motels, short-term rentals (30 days or less), bed and breakfasts establishments, lodges and retreats shall minimize operations unless authorized by writing by the Public Health Director for emergency or quarantine purposes or to provide lodging for essential personnel or for other emergency travel or lodging purposes, such as travel and lodging purposes not for leisure. All short-term lodging establishments shall follow CDPHE guidelines for minimizing the spread of COVID-19. This prohibition shall not apply to the use of these facilities at the time of this Declaration as a long-term residence.

   e. All public transportation is considered an Event and public transportation services will work with the Public Health Director to implement best practices to minimize the spread of COVID-19.

   f. Visitors of Chaffee County are directed to return home and persons considering visiting Chaffee County should remain home to mitigate the spread of COVID-19.

   g. Use of school facilities for public benefit shall be at permission and consultation of the Public Health Director.

   h. Publicly-scheduled meetings for the County shall take place virtually allowing the public to participate online or via teleconference.
